PRODUCT SPECIFICATIONS

13A Three Pin Plug with Fuse

General Data	
Certification Mark	SLS 734
Country of Manufacture	Sri Lanka
Technical Data	
Rated Voltage	250V AC
Rated Current	13A
Type	Fused rewirable plug
Fuse Rating and Compliance	13A Fuse - BS 1362
Key Features	High quality fuse, complies to BS 1362
	High conductive brass plug pins with brass screws and plated screws
	Current carrying pins with insulated sleeving for safety
	Transparent base for the visibility of conductor connections to plug pins
	Finger grip for easy removal
	Made from polycarbonate which is of high impact strength and fire retardant properties
Firmly fixed cover and base	
Material Overview	
Plastic	Polycarbonate- FR grade
Metal	Brass, Plated metal screw
Colour	Cover: White, Base: Transparent
